TABLES
www.mmadesign.in

Silla.

A well executed concept can result in a timeless piece of furniture that never goes out of Style. With this in mind, we bring to you our extensive range of tables. Some that are classics, and others that are more modern in their Design. These tables are designed and built on the joy felt when planning, sharing, and creating memories with colleagues around table. We Pride ourselves on excellent Customer service, Quality and wide array of products.

20. Counter	49
21. Plateau	53
22. Mushroom	55

TABLE

We love to see creativity bringing together diverse design traditions and giving them a contemporary spin, and that's just what our Table series of furniture achieves.

Inspired by both the mid century classic design language and elegant simplicity of traditional Indian designs, the furniture is created from responsibly sourced Wood . Each piece is assembled using functional shapes that slot together forming a sturdy yet graceful structure.
